

How to visit Elk Avenue

SUPPORT OUR LOCAL BUSINESSES, SAFELY.

WEAR A MASK - The Elk Avenue Corridor (bound by First Street, Sixth Street and the alleys serving Elk Avenue) is a **mandatory** face covering zone. Wearing is caring and keeps our economy open — wear a face covering if you are walking on the sidewalk, waiting for your table, or entering a store. **If you are on your feet, you are required to wear a face cover.**

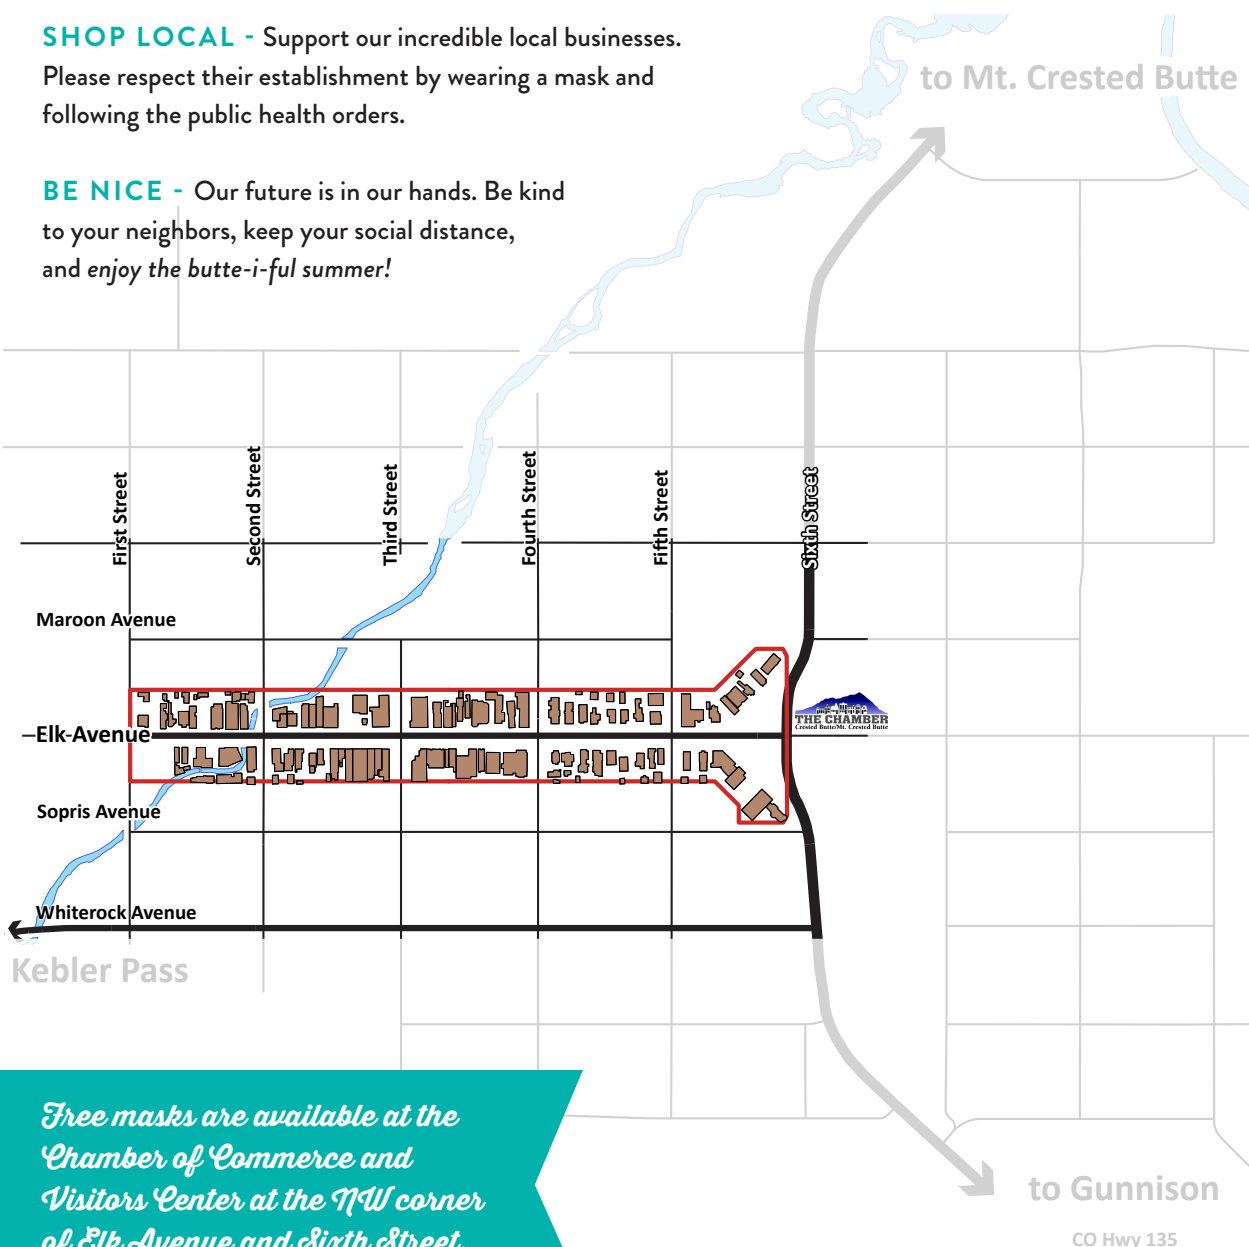

GO SLOW - Slow down and enjoy the flowers and vibrant local businesses.

GO WITH THE FLOW - Ride your bike with traffic, explore alleys, or side streets, on your return trip. Leave the sidewalks for walkers.

SHOP LOCAL - Support our incredible local businesses.

Please respect their establishment by wearing a mask and following the public health orders.

BE NICE - Our future is in our hands. Be kind to your neighbors, keep your social distance, and enjoy the *butte-i-ful* summer!

Free masks are available at the Chamber of Commerce and Visitors Center at the NW corner of Elk Avenue and Sixth Street.
